# SACRED HEART CHURCH

Surathkal - 575014

Mangalore D.K. District, KARNATAKA

Each of you must give as you have made up your mind, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to provide you with every blessing in abundance, so that by always having enough of everything, you may share abundantly in every good work. (2 Corinthians (9:7-8))

## An Appeal

# Church Community Hall Project

Greetings of love and peace from Sacred Heart Church, Surathkal.

Sacred Heart church, Surathkal has accomplished 117 years of rewarding existence since its founding in the year 1900. From its inception it has been instrumental in ushering in progress in various ways. Under the ecclesiastical leadership of different Parish Priests, the Parish has witnessed significant progress in religious, spiritual, academic, social and in economic fronts. Undoubtedly, the Church has played a significant role in the well being of the faithful.

God has entrusted Sacred Heart Church, Surathkal with 625 families with 2,500 members. The parish through its educational institutions renders value based education to more than 2100 students of different religions and castes without any discrimination. We feel a sense of pride in the imparting of quality education through Sacred Heart Kannada Medium Higher Primary School and Holy Family English Medium High School. We experience sense of fulfillment in our mission of educating the young with quality education.

From time to time the Parish has strived hard to meet the needs of its faithful. Though the Parish has developed significantly on many counts lack of a well-furnished community hall for the use of the parishioners as well as the educational institutions in the smooth conduct of programmes is highly desired. Surathkal city has been developing in a very rapid phase. Nonetheless, many regret the absence of a full-fledged hall with latest facilities. It's not only a long standing dream but also a desire and a necessity often felt and expressed by the most parishioners. The Parish Council overwhelmingly decided to undertake the much needed community hall project which would benefit not only the faithful but also others at large, by making available a well-furnished community hall to the need of the people of all faiths. The catholic community would continue to provide facilities and services to everyone as it has done so far.

To construct a user - friendly community hall with 1500 seating capacity and a separate dining arrangement, the cost of the project has been estimated at approximately Rs. 6 Crores. We place on record the generous contributions made by everyone to the successful completion of the earlier projects of the Parish. We are sure that the generous God has blessed with manifold blessings for your contributions to the happiness of the society at large. We earnestly appeal you to help and assist us to accomplish the much needed and desired project complete well in time. Already we have received assurances from the parishioners and the government about some monetary assistance which does not suffice to complete the project. Therefore, we kindly request you make your generous contributions to carry out the Community Hall Project smoothly.

### Your generous contributions will be acknowledged as:
